

Student Language and Mentoring Program

Dear Prospective S.L.A.M. Program student,

The Student Language and Mentoring Program, or S.L.A.M. Program, is an after school language program run completely by Haverhill High School students. As language students we are completely dedicated to spreading the love of language to our younger peers. Once a week, on Tuesdays, students from Haverhill High School will come to your middle school and may teach German, French, Latin, Spanish, Ancient Greek, or Italian . You will be able to pick one of these languages, and begin a ten week course of language and culture classes. The program will run from October 8th through December 17th, every Wednesday. Every S.L.A.M. tutor has successfully completed at least one year of their language, and is recommended by their foreign language teacher. If your student is interested in participating in S.L.A.M. this fall, please fill out this sheet and turn it in to the main office. It is important that we receive all sign up forms by September 22nd at the latest. We hope to have an exciting and educational session, and would love for **you** to join us! Thank you!

If you would like more info, have questions regarding the program, or have any concerns, please email me, Lizzi Bowen, at lizbowenslam@gmail.com.
